We Are the Seniors of 1985

We're funny.

We're ambitious.

We're daring.

We're speechless.

We're well rested.

We're always satisfied.

We're helpful.

We're studious.

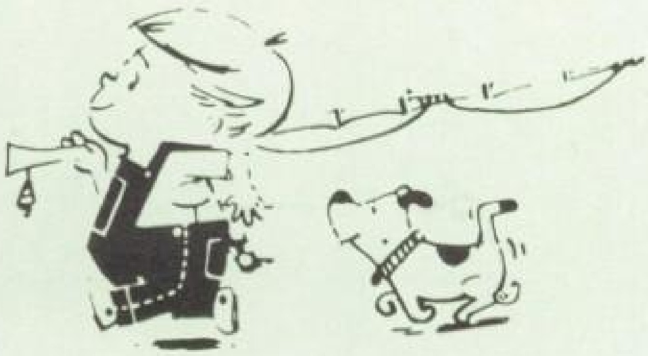

We're well informed.

And We're Ready To Take on the World!

At least someone works here!

Lisa, remember you're a Senior!

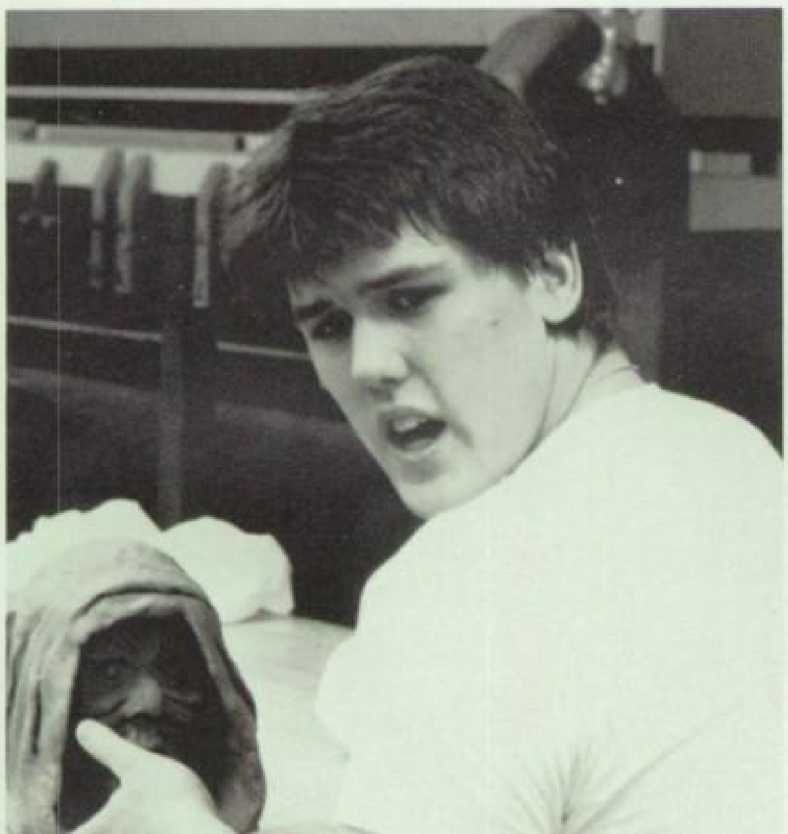

Brian coloring up the place.

Settle down!

Ok guys, absolutely *no* more of this!

Self-portrait???

Hope she paints better than she dresses!

Whatcha' thinkin'?

The Senior Class of 1985

Senior Memories

The Senior Class's one-of-a-kind creation!!

Evie and her mouth!

Nice Legs!

Smile, Sue!

Aren't you supposed to stand?

Chin up, school's almost done!

Nothing better to do?

There's always a smile on Sue's face!

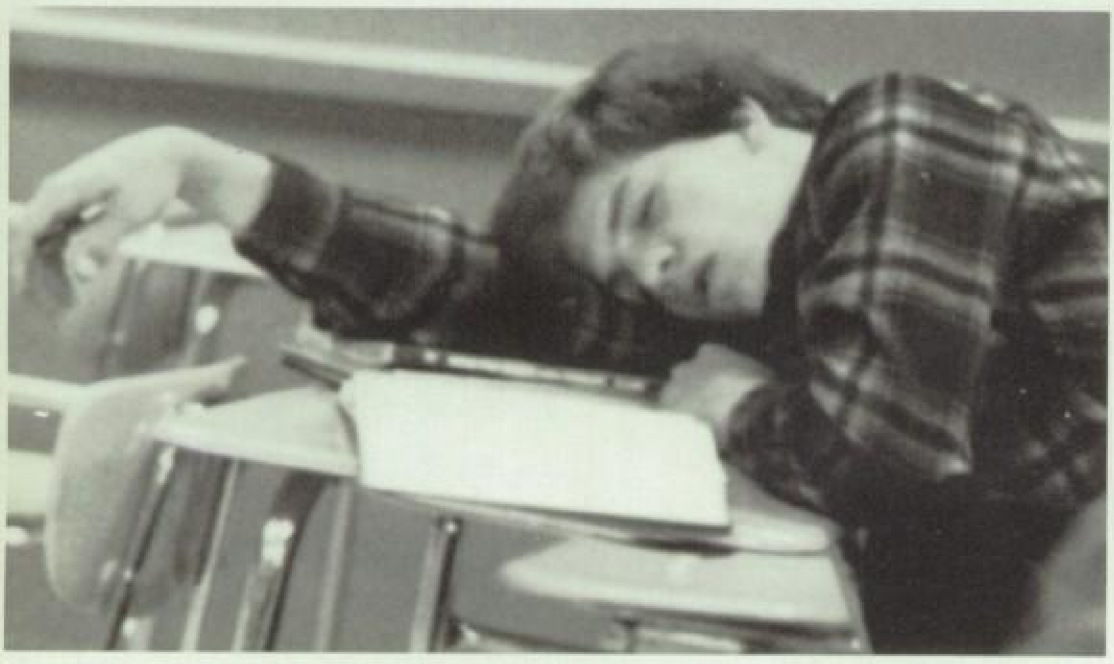

I'm not joking!

Of course you know what you're doing!

Enthusiasm is what made this school great!

It's been a long day!

A little nap between classes!

The look of a genius!

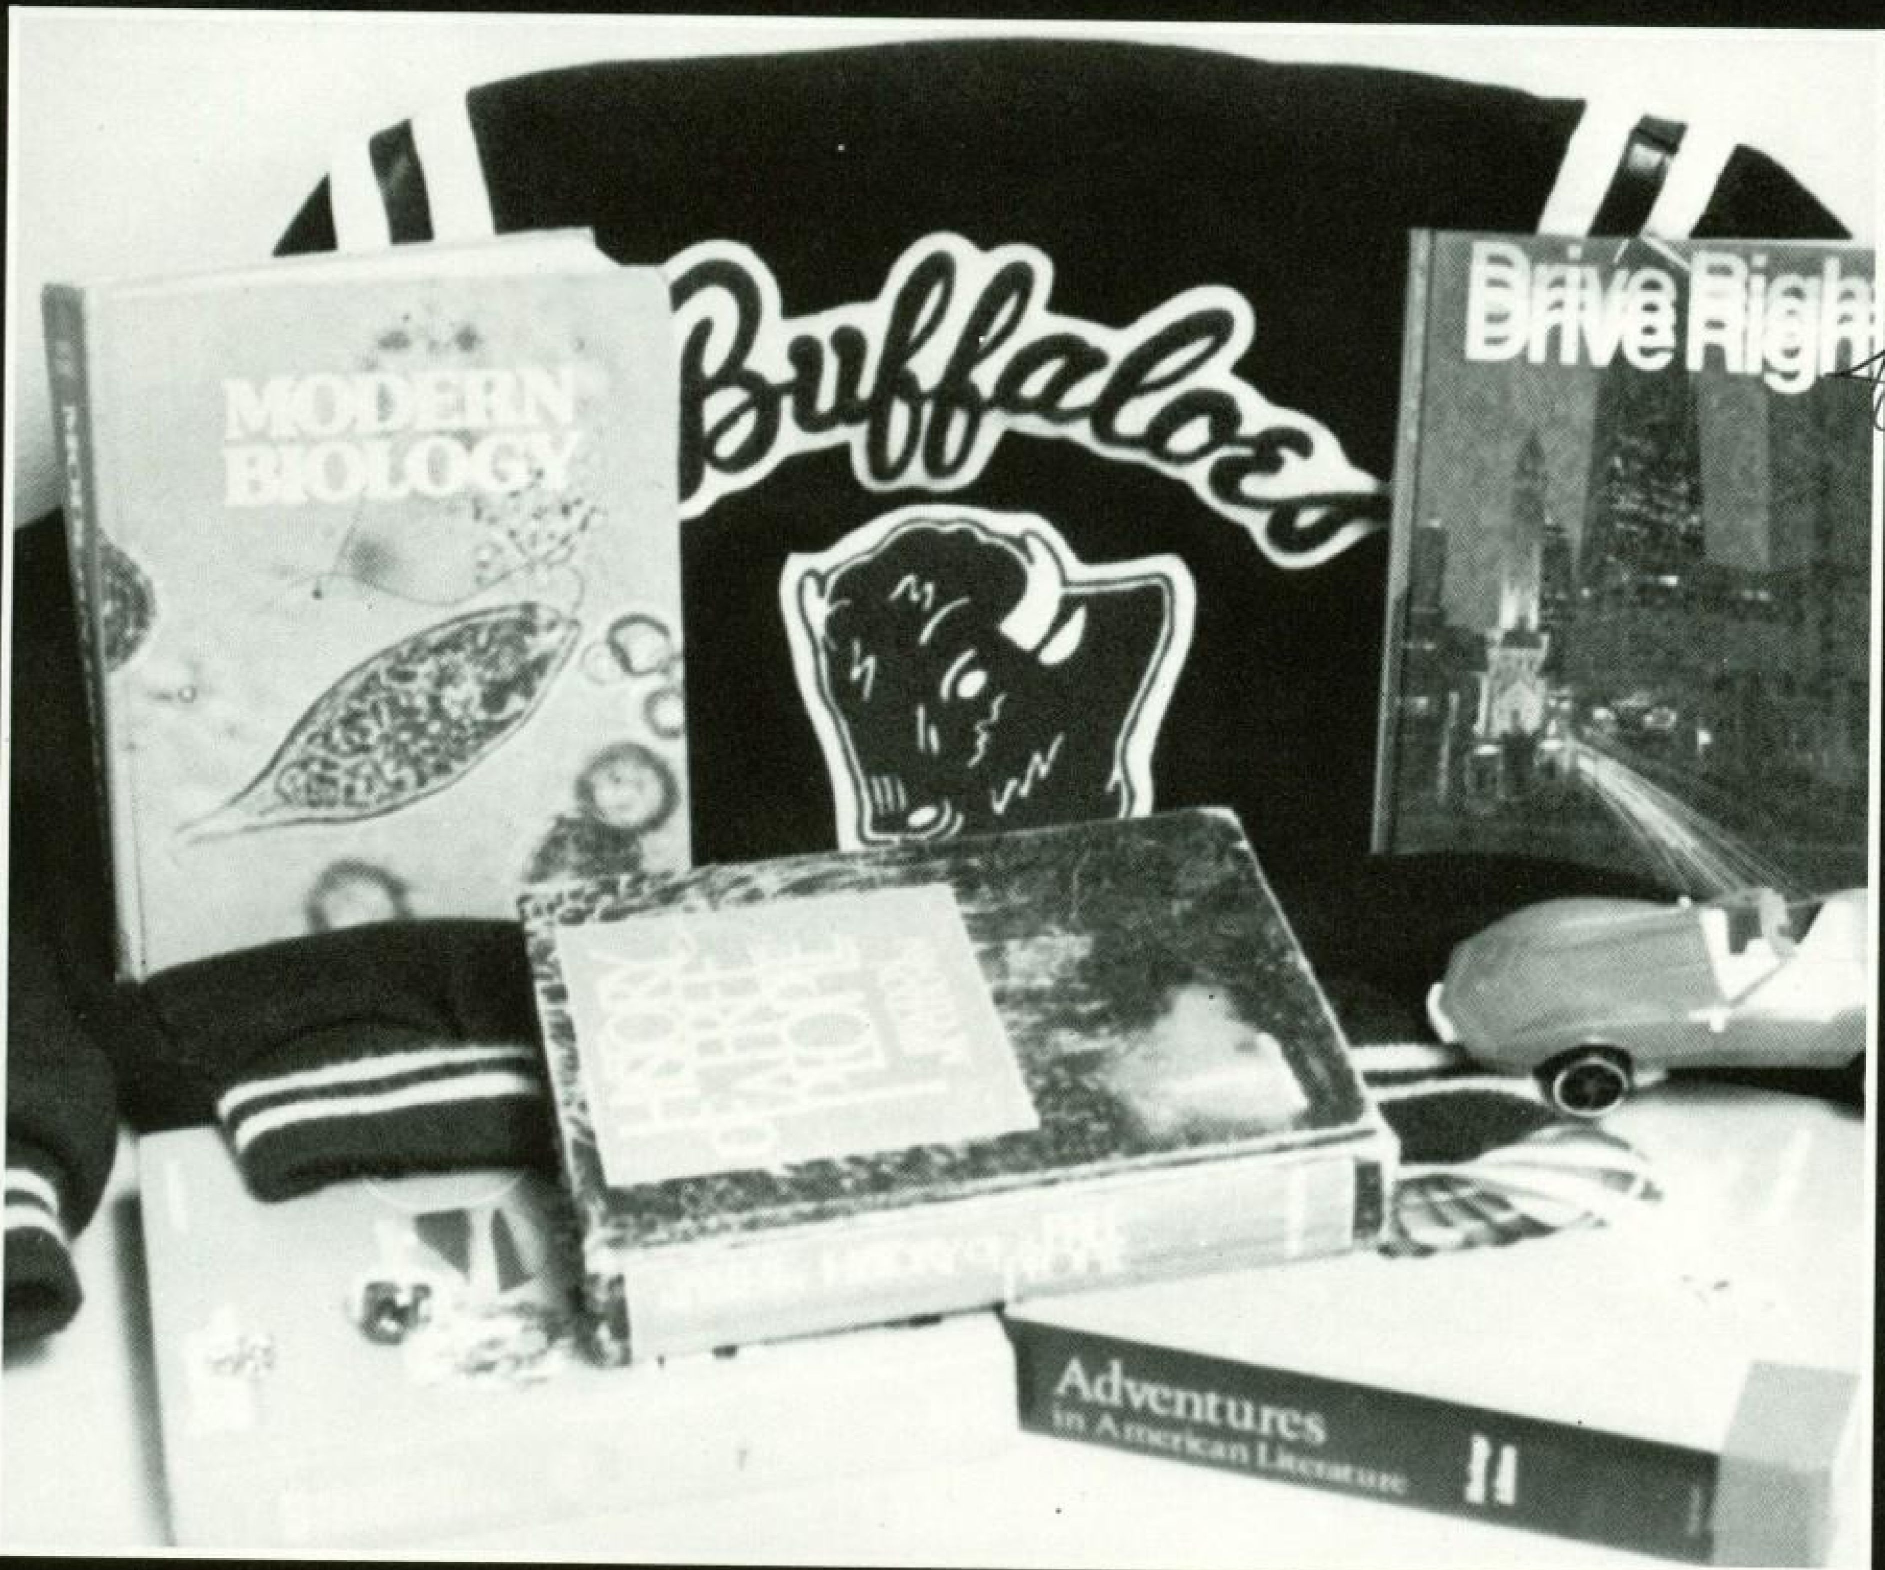

Stand-in for Gilligan's Island?

What form!

Homecoming 1984

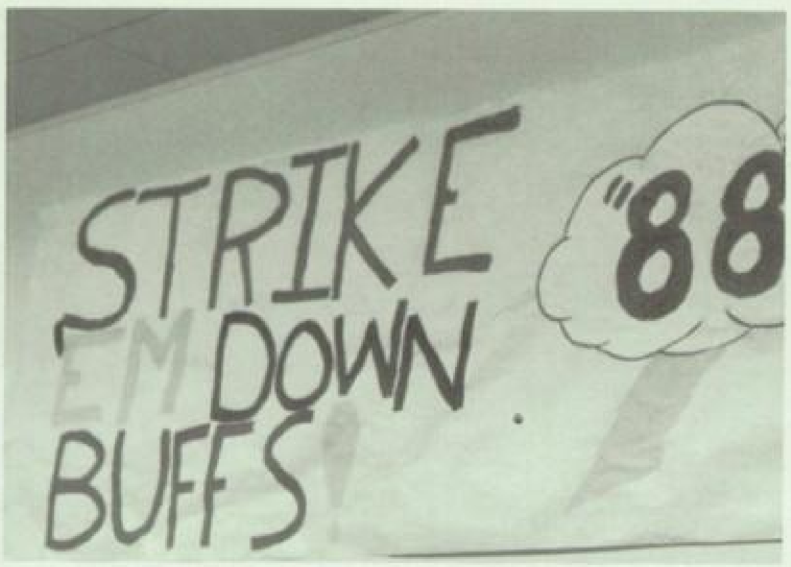

Homecoming 1984

School spirit was terrific during homecoming week. Activities included decorating halls, painting windows, and assembling floats. The hilarious dress up days were: pajama day, punk rock day, nerd day, toga day, and blue and white day. At Thursday night's pep assembly King Jeff Rohrscheib and Queen Kristin Johnston were crowned. Other court members were Scott Kees and Lisa Risen, Todd Ness and Joanna Midthun, Mike Rud and Brenda Johnson, and Trint Trip and Diane Heinsohn. The homecoming activities were concluded with skits and the parade. The winners were: Freshmen — float contest, Sophomores — window decorations and Spirit Stick, Juniors — skit contest, Seniors — hall decorations. It was a week that will be long remembered.

Forensics

Forensics time at Mondovi High School means many and long practice sessions after school or during study halls followed by competition in tournament after tournament. To prepare for the official state contests, (sub-district, district, and state) the team participates in a number of invitational meets including those at University of Wisconsin — Eau Claire, Menomonie, Durand and De Long.

Five years ago a State Task Force was selected to completely review and improve the forensics categories. Mrs. Everson was one of the six high school teachers from across the state who were invited to serve on that committee. As a result of its efforts, this year, for the first time, several new speech categories are being offered for competition. They include Solo Acting, Farago, Group Discussion, and Group Interpretive Reading. Of course, the old stand-bys such as Oratory, Public Address, 4-minute Speech, Play Acting, Prose and Poetry Reading are still being offered. The task force also improved the rules for preparing speeches as well as the criteria for judging. As a result, forensics this year should be a streamlined event with offerings to meet the needs of any student speaker.

FHA-HERO is a vocational student organization that is an integral part of the home economics program. The goal of FHA-HERO is to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement. The activities that the FHA members participate in throughout the school year lead to the achievement of this goal.

The National Honor Society is a national school organization for outstanding students in grades eleven and twelve. The object of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in students at Mondovi High School.

To be eligible for membership in the National Honor Society, a student must have maintained a 3.250 credit point average for five semesters and have spent at least one semester in Mondovi High School. Upon meeting this basic requirement for admission to membership, the candidate is then considered on the basis of Service, Leadership and Character.

The 1984 Mondovi Buffaloes Football team had a season of frustrations. The Buffs played in three overtime games, winning one of the three. The conference was well balanced this past season which was shown in the final conference standings. The Buffaloes tied for third place with a 2-5 record. The season record was 2-7. Gaining All-Conference First Team Honors this year were Mark Seyforth and Trint Trip. Also gaining Honorable Mention Awards were Mike Dieckman, Dan Dregney, Mark Michaels, Todd Loomis and Curtis Boos.

Young Buffs Competitive Under New Coach Me. Lee

The Buff basketball team consisting mostly of underclassmen played exciting, aggressive basketball under the guidance of Mr. Lee. At the time of this writing Mike Dieckman was the leading individual scorer averaging 10 points per game; Dave Fredrickson made 9 of 11 free throws for a 82% average; Dave Bethke made 28 of 57 field goals for a 49% average; Darrin Ede snagged 82 rebounds and had 25 steals. With a strong nucleus of players returning the Buffs look forward to improving their record.

Buff Wrestling Season Very Successful — Bill Polzer's Record is 25-1

The 1984-1985 Mondovi Wrestling season was much more successful than the 4-6 dual record might indicate. The team lost some close matches and had a very tough schedule. The wrestlers performed well in tournament competition, especially against non MBC opponents. The team set school records in every individual category: takedowns, reversals, nearfalls, and individual records. The team defeated New Richmond for the first time ever and made great strides toward being competitive in the tough Middle Border conference. The team won the Eau Claire Memorial Invitational for the second consecutive year. Bill Polzer compiled a 25-1 record and was the Middle Border Conference Champion. Steve Polzer and Doug Ableidinger were first place finishers in invitationals. Bill Polzer, Steve Polzer, and Doug Ableidinger and Jim Wulff advanced to sectional competition.

CURRENT EVENTS

Newsflash 1984

The 1984 Los Angeles Olympics brought America heroes, wealth, and spirit. An Olympic torch carried across America brought the Games to all parts of the country. The opening ceremony, the most spectacular of all, showed what organization and a good cause can amount to. The highlights of the Games were Mary Lou Retton's smile and gymnastics victory, Mary Decker's unfortunate fall, and Steve Lundquist's impressive swimming records.

1984 was the year a woman, Geraldine Ferraro, first ran on a major-party ticket for Vice-President of the United States, but came out on the bottom with Ronald Reagan and George Bush winning another four year term.

President Reagan pulled the marines out of Lebanon.

The space shuttle became the big "star" of the government. It has gone up time after time and has even retrieved two lost satellites.

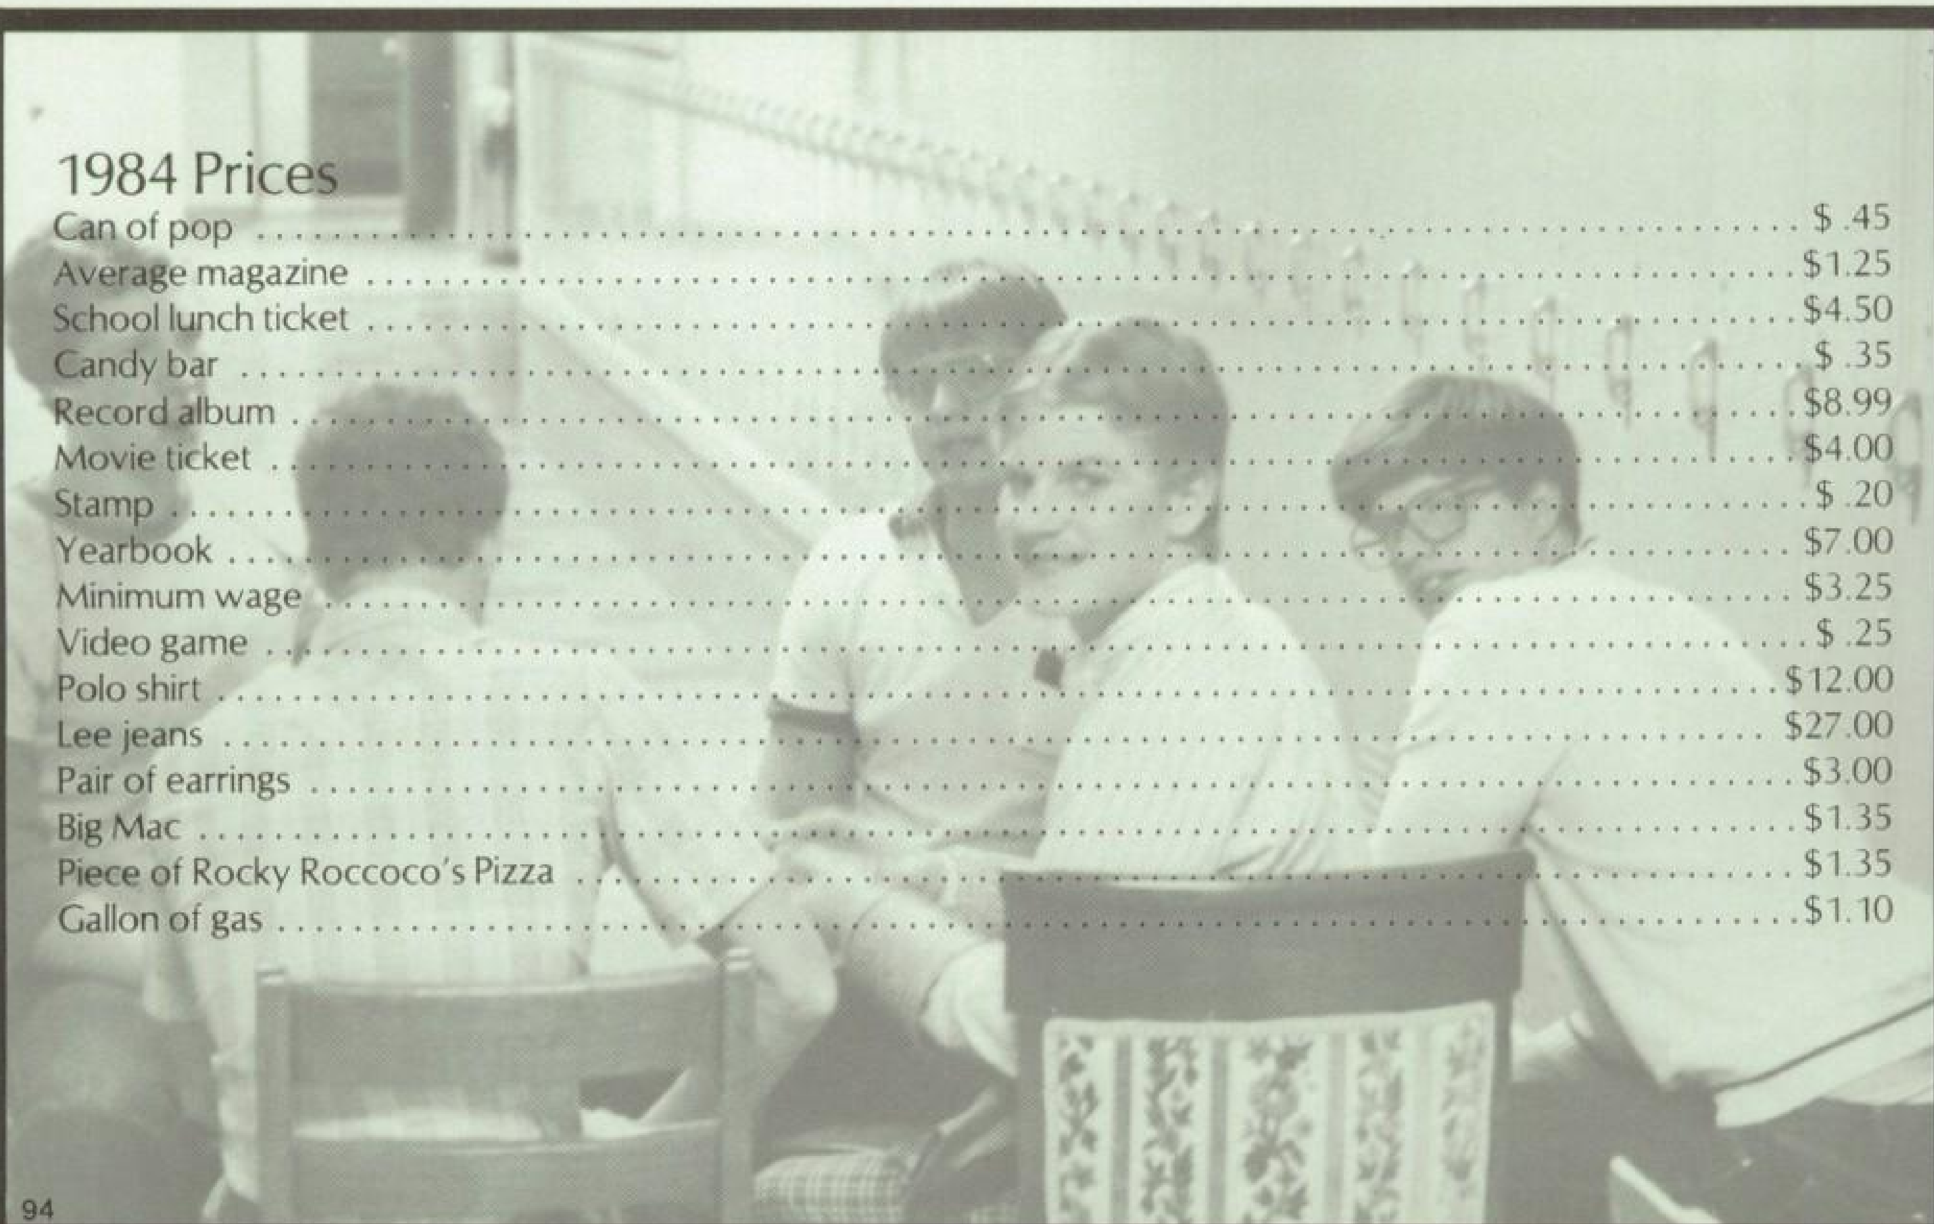

The deaths of two world leaders, Indira Gandhi of India and Yuri Andropov of Russia, have made a tremendous impact of the world's political situations.

World starvation hits the news every day as we hear of the terrible droughts in the many poor countries of the world.

In California, a massacre at a McDonald's saddened the country, while in India a gas leak at a Union Carbide plant killed hundreds.

A permanent artificial heart received by William Schroeder is a success.

The next few words should be self-explanatory — "Where's the beef?"

As we look to the future
diplomas in every hand,
we see our desired goals
and wonder where we'll stand.
We go our separate ways,
to friends we say goodbye.
Our journey will be hard,
on paved paths one can't rely.
In the end, we will be thankful
to our teachers and our peers,
who took the time to help us
through our four, long high school
years.

Lee,

It's been a great year. I don't how to Thank you for all the help you try to give me on Geometry and lended me all those French assignments when I didn't feel like doing it. Your a great guy so don't change. Maybe I'll see you this summer whenever I get my license.

Thanks again!!

P.S.

I don't know how I will make it through my Junior year. It looks like it will be tough. Well all I can say is hang in there but for you that will be no problem.

P.P.S. Ooops!

Try to stay out of trouble

Love,
Anne

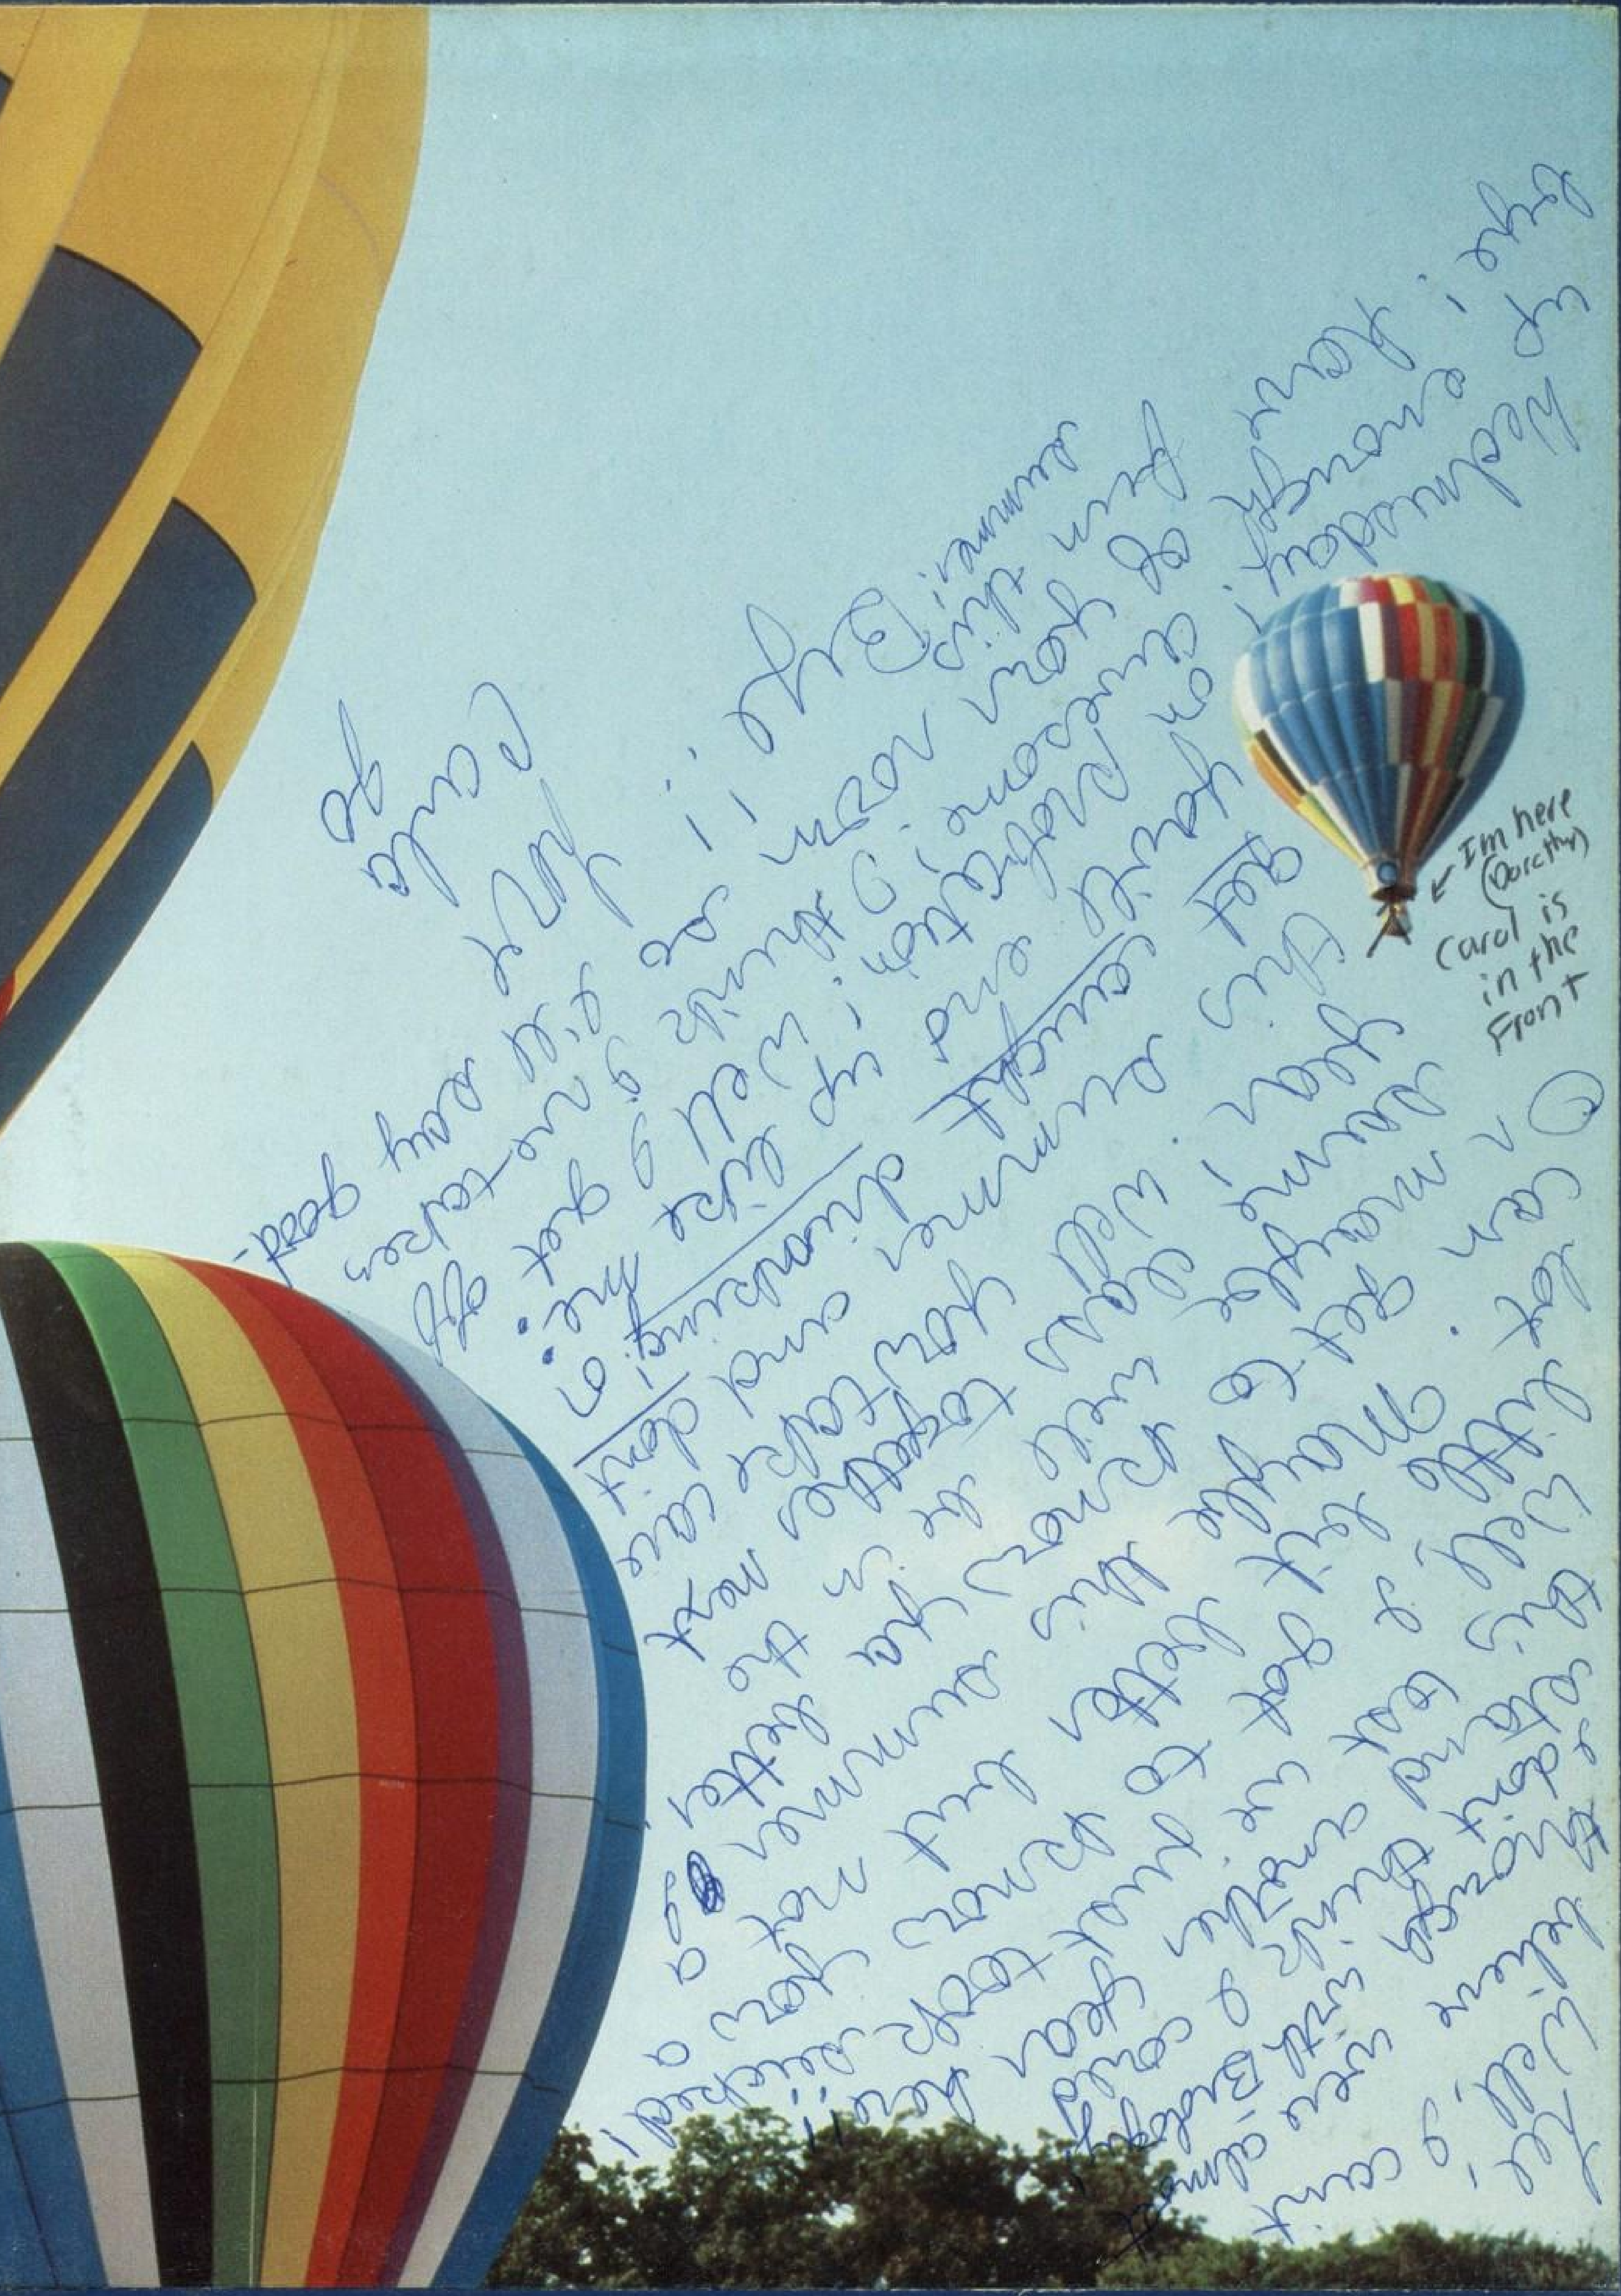

Lee,
Well, its been a tough year but it looks like we'll make it through it. Dont think I can handle many more of those Geometry tests and French assignments - I've had enough!! THANKS for all help you've given me in Geometry. I dont know what I'd of done without it! Maybe you should get up there and teach, I'm sure we'd all be better off! Your a super sweet guy so stay that way. OK?! Well, better go. Take Care and have fun this summer! Maybe I'll see ya sometime when you go cruising by on your cycle --- when I'm workin my butt off!(ha ha!)

Luck Always!

AFA,
Sue

Dearest Lee,
I cannot tell you all the times I have gotten pissed off at Mr. Swanstrom and Miss Spear - but I'm sure you know how I feel! It's been great having you in my classes you're a really sweet guy but you had better start being nice to me in Study Hall. Like pushing my arm off the chair? Remember? Have a great summer and take care. Good Luck Always!
Love,
Carol

Lel,
Well, I can't believe we're almost through with Biology!! I don't think I could stand another year here!! this test we just took sucked!
Well, I got to know you a little bit better but not a lot. Maybe this summer we can get to know ya better!
Or maybe we'll be in the same class together next year! Well you take care this summer and don't get caught drinking! or you'll end up like me: on probation! Well I get off Wednesday! I think I've taken up enough of your room so I'll say good-bye! Have fun this summer! Bye!!
Love
Carla
